What are your plans?

The Cosmetics Cluster UK in partnership with MSL Solution Providers, with funding and support from the Business Readiness Fund provided by the department for Business, Energy and Industrial Strategy - would like to invite you to attend a FREE practical workshop to help your business prepare for a no-deal Brexit.

With Brexit less than a month away and the political landscape changing rapidly the cosmetics industry must be prepared for the regulatory and supply chain challenges that will come when the UK leaves the EU.

As one of the largest independent Responsible Persons MSL is at the forefront of Brexit preparations and through these workshops will help companies prepare or refine their contingency plans.

The MSL experts will explain, in depth, the likely Brexit scenarios and the impact these will have on the regulatory landscape. and work through the solutions to help you prepare. your business.
